歡迎 國立高雄餐旅大學李創校校長 福登博士 國立高雄餐旅大學第二任校長 容繼業博士 易遊網旅行社股份有限公司 游金章總經理

蒞臨本校參加謝師祝望典禮

謝師祝望典禮

本校一百零四學年度畢業典禮於六月二十三日（四）下午四時二十分於多功能活動中心舉行，典禮由林校長玥秀主持，國立高雄餐旅大學第二任校長 - 容繼業博士、易遊網旅行社股份有限公司游金章總經理，分別擔任讚禮官及貴賓代表。並邀請國立高雄餐旅大學李創校校長福登博士、河邊餐飲集團董事長暨家長會長 張素鑾女士及漢堡學院Program Coordinator- Judy Hebner等一行人蒞臨參加。

全校師長、畢業生、家長及貴賓們齊聚一堂、共襄盛舉，一同慶祝國內餐旅精英的誕生。本次活動項目除了正式的畢業典禮之外，尚有畢業生獻誠儀式相關活動。

典禮在擊鼓鳴鑼聲中拉開序幕，肅穆莊嚴的上香禮，令大家摒息注目，更加突顯典禮的意義非凡與隆重，接著由林校長授予畢業生碩、學士學位暨畢業證書，研究所畢業生撥穗儀式。典禮在貴賓代表頒發各項畢業獎狀、主禮官宣讀祝望文等程序中進行，最後在唱校歌、擊磬後的驪歌聲中圓滿達成。

畢業同學穿著碩、學士袍個個精神抖擻，臉上洋溢著喜悅的笑容，穿梭在美麗的校園裡，接受師長、親友、同學的祝福，並拍照留念，校園呈現一片喜氣洋洋。

校長給畢業生的祝福　用心待人　用腦做事

蟬鳴唧唧、鳳凰花開的此刻，大四的同學們即將畢業，踏上新的人生旅程。在這離情依依的時節，校長想以「用心待人，自重而後人重；用腦做事，無入而不自得」與大家共勉。

立身處世，做人與做事同樣重要。不論是在哪個工作崗位，切忌鑽營取巧、爭功諉過。嚴以律己是第一步，如果能再寬以待人，多一些體諒，少一點計較，就可以營造善性循環的人際互動。遇到事情，不要總是墨守成規或得過且過，要勇敢開創，思考更有效率的解決方法，如此一來，每一次的改變都可能會是新的契機。

人生難免會遇到挫折，但就如湧泉的奔流，面對大石的阻礙，絲毫不停滯，反而更激昂，發出澎派如萬馬奔騰的樂音。同學們也應該秉持堅忍不拔的態度，堅持理想，面對挑戰更加鬥志昂揚。

祝福畢業同學們能勇敢追夢，而且築夢踏實。靠自己的人品行止，受人尊重；靠自己的專業，立足社會；靠自己的終身學習，不落人後，開拓屬於自己的精彩人生。

國立高雄餐旅大學　校長 林玥秀 謹啟

台灣名廚秀美食 驚艷匹茲堡

台灣名廚秀美食

2016年僑務委員會台灣美食巡迴教學，19日下午在匹茲堡藝術學院(Art Institute of Pittsburgh)九樓舉行。華洋學生慕名而來，50多人擠爆廚房。

紐約華僑文教服務中心副主任張希賢特搭夜車前來助陣。張希賢表示今年僑委會特邀請高雄餐旅大學中餐廚藝系副教授陳正忠及高雄市勇氣廚房主廚李建達前來指導。他們上周在華府雙橡園擔任主廚，推出「台灣好滋味」的文化外交，宴請中外來賓。前兩天在台美人媽媽教室，為200多人示範佳餚美饌，佳評如潮。

陳正忠經常獲邀出國展示廚藝。這次帶著學生李建達到美國巡迴搭檔表演，他們在匹茲堡時間很短。前一天由匹茲堡僑委陳飛陪伴去採購食材。陳正忠吃驚美國牛肉好的都外銷，到普通市場要挑上等牛肉還不大容易。買不到香菇精和台灣短的脆黃瓜，只能就地取材。

他精挑五樣菜色。並傳授各項作法與祕訣。一、芙蓉乾燒石斑魚；二、脆豆涼拌牛肉；三、翡翠碎米雞粒；四、脆瓜蒜味白肉捲；五、時蔬鮮肉豆腐煲。他強調新的健康做菜法，必須增加新鮮蔬菜分量。牛肉不加任何嫩肉精或味素等，先用蛋和水還有鹽和太白粉再加些油去泡嫩便可。

陳正忠刀功了得，片肉超薄如紙，技驚全場。大家看他以超短時間做出色香味五種道地台灣家常菜都非常佩服。最後藝術學院洋學生請大家到餐廳品嘗菜餚時，佳評如潮。

高餐大研發「埔桃酒」 躍上520國宴

高餐大餐飲管理系助理教授陳千浩－研發之埔桃酒

520總統就職典禮於105年5月20日舉辦，由高雄餐旅大學研發的「埔桃酒」成為國宴用酒，高餐大餐飲管理系助理教授陳千浩指，「埔桃酒」是以台中后里的金香葡萄釀造，需5年才能熟成，此次獲選國宴用酒，高餐大師生都感光榮，前一日有100名學生坐遊覽車北上，擔任520國宴招待。

陳千浩說，「埔桃酒」自2009年上市以來，已在世界酒類品嚐大賽中，奪得6金4銀榮耀，每瓶750C.C售價2800元，但因釀造時間需5年，量太少，坊間不易買到。

Also among other notable invitees are Dr. Fu-teng Lee, the founding President of NKUHT, Ms. Su-Luan Chang, Her Bian Food & Beverage Group CEO and Parents Committee Chairperson and Professor Judy Hebner, she is the Program Coordinator at Humber College, Canada.

They play the roles as the masters of ceremony and guests' representatives respectively. All teachers of the Colleges, graduates, parents and guests gathered together to celebrate the occasion and the birth of a new generation of hospitality elites in Taiwan. Today's activities include not only the graduation ceremony, but also a graduate donation ceremony and relevant events.

The ceremony starts with sound of percussion and gong, with the incense rite performed in a solemn manner. Everyone's attention was drawn, and the exceptional implication and importance of the ceremony was emphasized.

Then, President Lin will confer Bachelor's degree and presented graduation certificates to the graduates.

The ceremony proceeds with the guest representatives presenting the graduation awards and the master of the ceremony delivering his well-wishing speech, and ends in the singing of the school anthem, sound of chime stone and the farewell song.

Graduates on graduation gowns appear excited and cheerful. With big smiles on their faces, they shuttled all around the beautiful campus, receiving blessings and wishes from their teachers, relatives, friends and classmates and taking photographs. The campus is full of joy.

President Addresses Congratulations to Graduating Students

Be honest to others; be smart to the jobs

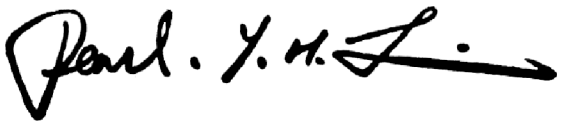
As the cicadas sing and the flame trees bloom, the graduating seniors here today embark on a new journey in your lives. At this time of nostalgia and trepidation, I hope everyone feels encouraged by my message, “Be honest to others, if you respect yourself first and others will pay you in return. Be smart to your jobs and you will find contentment in everything you do.”

How we conduct ourselves in society, our lives, and our work are all of equal importance. It does not matter what job you hold, we should avoid deception for personal gain, taking credit for everything, or shifting responsibility for mistakes. The first step is to exercise self-discipline. By being more tolerant and forgiving of others, you become more understanding and less critical. This allows you to create a cycle of goodness with those who interact with you. When you encounter new issues, do not deal with them using old conventions or muddle along and do just enough to get by. Be brave, be creative, and you will find more efficient solutions. With that, each new change can become an opportunity.

In life we will ineviably have setbacks. Yet, when a geyser’s path is blocked by a stone, it does not grow stagnant. Rather, it becomes stronger and pummels the stone until it blasts the stone away. As graduating students, you too should hold this same indomitable spirit. Hold fast to your ideals and meet challenges with vigor and a fighting spirit.

I hope our graduating students find their way to bravely seek out their dreams and make them a reality. Your character and actions brings the respect of others. Your expertise gives you a place in society. By committing yourself to a lifetime of learning, you shall never fall behind. Follow these principles and you shall create your own wonderful life.

Sincerely yours,



President of the National Kaohsiung University of Hospitality and Tourism

The Delicacies of the Taiwan Celebrity Chef Show Amazes Pittsburgh

The Delicacies of the Taiwan Celebrity Chef Show

The 2016 Overseas Chinese Affairs Commission Taiwan Cuisine Teaching Tour was held on the 9th floor of the Art Institute of Pittsburgh in the afternoon of the 19th. Ethnic Chinese and Western students came to admire the proceedings, with more than 50 people packing the kitchen.

Deputy Director Zhang Xixian of the Culture Center of T.E.C.O. in New York specially took an overnight bus to come and help out. Zhang Xixian indicated that this year, the Overseas Chinese Affairs Commission specially invited NKUHT Associate Professor Chen Cheng-Chung as well as Xander Lee, head chef of The F in Kaohsiung City, to come and provide guidance. Last week, they served as the head chefs at Twin Oaks in Washington, D.C., to promote cultural diplomacy through “A Taste of Taiwan,” entertaining both ethnic Eastern and Western guests. In the previous two days, they demonstrated delicacies to more than 200 people at the Taiwanese American Ma Ma Class, receiving high marks from all.

Chen Cheng-Chung is frequently invited abroad to demonstrate culinary arts. This time, he brought his student Xander Lee to the United States to tour and act as his partner during their performances. They spent very little time in Pittsburgh. The previous day, Chen Fei of the Pittsburgh Overseas Chinese Committee accompanied them to purchase ingredients. Chen Cheng-Chung was shocked that the best U.S. beef is sold abroad. Finding top-quality beef in a normal supermarket was not easy. They could not find mushroom essence and Taiwan’s short crisp cucumber and had no choice but to use locally available food.

Chen Cheng-Chung selected five fine dishes and demonstrated people how to make each one along with tips. 1. Hibiscus dry-roasted grouper; 2. beef with cold crisp bean salad; 3. emerald diced chicken with ground rice; 4. crisp melon garlic white meat roll; and 5. seasonal vegetable and meat tofu pot. He emphasized new methods of making healthy dishes and the necessity of increasing the amount of fresh vegetables in the dishes. Without adding tenderizers or MSG to the beef dish, egg, water, salt, cornstarch, and some oil are used to marinate the beef until it becomes tender.

Chen Cheng-Chung’s knife skills are amazing. The slices of meat he cut were paper-thin, and his skill awed the audience. Everyone watched in amazement as he quickly made five authentic Taiwanese homemade dishes with extraordinary flavor. Finally, when the Western students of the Art Institute invited everyone to the restaurant to try the dishes, the praise was bounteous.

"Bu-Tao Wine" Developed by NKUHT Leaps to the *5/20* State Banquet

Bu-Tao Wine – Developed by Assistant Professor Chien-hao Chen of the NKUHT Department of Food and Beverage Management

The 5/20 presidential inauguration was held on May 20, 2016. The "Bu-Tao Wine" developed by NKUHT will be the state banquet wine. Assistant Professor Chen Chienhao of the NKUHT Department of Food and Beverage Management indicated that "Bu-Tao Wine" is made from golden muscat grapes grown in Houli, Taichung, and that it takes five years to make the wine. The teachers and students of NKUHT feel honored that the wine is selected for this state banquet. 100 students of Food and Beverage Management Department were also chosen to serve as receptionists in the 5/20 state banquet.

According to Dr. Chien-hao Chen since "Bu-Tao Wine" launched in 2009, it has already won six gold and four silver medals in world wine tasting contests. A bottle of Bu-Tao Wine sells for NT$2800. However, because it takes five years to make, the quantity is small , thus it is difficult to make a purchase.

網路著作權你我他

網路科技的發展，對人類生活產生根本的變化，天涯若比鄰，無遠弗屆，至為便利。網路環境下，增加著作的散布空間，如運用得宜，可以發展電子商務，可是，如果運用失當，將增加侵害著作權的機會。因此，如何在網路上合法利用別人的著作，已成為我們每個人日常生活必須具備的基本常識。

為保障音樂、電影、圖片、照片、電腦軟體、書籍等著作在網際網路上的合法利用，我國著作權法已規定著作權人享有把自己的著作放在網路上散布，提供別人瀏覽、觀賞、聆聽或下載的權利，這是權利人獨享的權利，我們稱它為「公開傳輸權」與「重製權」。換句話說，每個人上傳、下載、轉貼及傳送著作的行為，除了合理使用外，原則上應事先得到著作權人的同意或授權，才是合法的行為。在網路上傳輸別人的著作，縱然對著作有實質推廣、宣傳的效果，但是仍然要獲得著作權人的合法授權後，才可以使用，如果沒有經過合法授權，就把別人的著作放在網路上讓網友分享利用，那是一種不尊重著作權的網路盜版行為。

近幾年，在政府與民間共同努力下，著作權保護獲長足進步，在市場上已難買到盜版光碟等侵害物。但隨著台灣上網人口的增加，網路盜版也呈現成長的趨勢，值得重視！因為網路盜版與實體盜版同樣都是侵權，而網路盜版所造成的侵害，包括人心的腐蝕與產業的衝擊，更甚於實體侵權，我們必須共同來設法防止與改善。因為你我都可能同時是著作的權利人和利用人。

提醒喜歡用各種P2P軟體交換及下載音樂、電影、軟體、電子書著作的同學和網路使用者要小心了！許多同學與網友普遍誤以為向軟體業者繳交會員費就代表已經獲得著作權人的合法授權，這是個錯誤的觀念，如果不小心就會因而誤觸法網，大家不得不小心。事實上你繳納的會員費只是使用那個軟體的費用，並不包括著作的授權費，所以不是繳了會費，就可以無限制下載、傳輸別人的著作。另外，利用從網路上免費取得的交換軟體（例如：BT、Emule），下載、交換各種受著作權保護的著作，或是在網路上公布軟體序號，供別人使用，一樣也極有可能構成侵權。最近網路上流傳「BT下載者不構成違法....」這樣的訊息，是一種錯誤的說法，應加以釐清。簡單來說，學生或網友任意使用各種P2P工具軟體及平台下載交換別人的音樂、圖片或影片等著作資源，或任意將軟體序號公布於網路，供別人存取、使用，都是一種不合法的網路侵權行為。最近我國的法院判決已經確認，音樂網路的從業人員及會員未經過合法授權，任意使用P2P工具軟體傳輸及下載別人的著作，除須負擔民事賠償責任外，並須受到刑事的處罰。有些利用人認為這樣的判決未免太過，有阻礙未來科技和創意發展之虞，但事實上大家必須瞭解，點對點式的科技本身並不是違法的，真正構成違法的是當事人不當的行為，與其使用的技術無關。換言之，網友或同學透過網路，利用別人的著作，與現實生活一樣，仍然應依照「使用者付費」及「授權利用」的市場供需制度，使用已取得著作權人同意下載及交換的合法網站，就不會發生侵權犯法的遺憾。

經濟部智慧局呼籲全體國人及年輕的同學應建立正確的網路著作權觀念，選擇已經著作權人授權的合法網站，支付使用報酬後，才能進行著作內容的下載與交換，以免被查獲、起訴，悔不當初，留下生命中無法抹滅的汙點。

智慧財產創作的艱辛，有如農人耕種，必須辛苦的耕耘，才有美好的收穫。然而，網路侵權就像害蟲，侵襲創作成果，使創意產業受到重創，將一部電影、一張專輯主打歌、電子書等放在網路上，必然嚴重影響電影的票房、專輯、書籍的銷售，使創作的心血與投資，血本無歸，使電影院、唱片公司、出版社等受到嚴重打擊。以唱片業而言，最近4年多來，因網路P2P侵權的衝擊，已應聲倒閉三分之一，如果再不停止侵權，有一天這類文化產業恐怕就會消失了。遠見雜誌在2004年8月號第218期專刊報導，盜版每成長10％，就會吃掉科技業5000個工作機會，網路侵權最終結果，將導致產業蕭條，人民失去就業機會。請切記，今日的利用人，正是明日的權利人，唯有全民合作防制網路侵權，共同消弭網路盜版，我們的知識產業才能永續經營，蓬勃發展，建構富而好禮現代社會。

★★繳交會費≠合法授權 請勿非法下載著作★★
